Please be informed that I wish to make comments regarding this issue. I was informed that the comment period has been extended to 01/29/02. Before that date, comments will be provided based on a national conference host by the Ground Water Protection Council. At this meeting discussion regarding this issue will take place between EPA HQ, EPA Regional, and State Program personnel regarding this regulations impact to the Safe Drinking Water Act.

Thank you

Stan Belieu,  
State of Nebraska, UIC Director
